Protest of Planned Parenthood in Lorain, Ohio

On April 23, Pro-Life Americans will conduct the first annual nationwide protest at Planned Parenthood facilities around the U.S. This nationwide protest will be held on the 4th Saturday of April every year until the Planned Parenthood abortion chain no longer preys upon our communities.

At this peaceful, prayerful protest, we'll call on Congress and the States to cut off all government funding to Planned Parenthood and to bring charges against all those responsible for the abortion giant's barbaric practice of aborting babies and harvesting their body parts. And we'll ask God's blessing on our nation to move from a culture of death to a culture of life and love.
